

*Premium Range*

THE  
**Octave™**

## 1991 Macallan 31 Year Old Cask #7237759 47.8% ABV.

The Octave™ Premium Range showcases years of maturation expertise transforming some of Scotland's oldest and rarest whiskeys into gently expanded and more sophisticated forms.

These premium whiskeys from some of Scotland's most iconic distilleries have been held in sherry casks to intensify their flavours and add new dimension to their flavour profiles, bringing out the best in each rare dram.

**Nose:** Rich and inviting with an intriguing complexity. The dark fruits, smyrna raisins, agen prunes, sour amarena cherries, are wonderfully complemented by a gentle Christmas spice note of cinnamon and cloves. With time, soft fresh floral notes emerge from under the weighty fruits.

**Palate:** Follows the nose pretty closely. The rich sherried notes are not overbearing, but rather fresh and vibrant. The whisky has a beautiful, mouth coating texture. The spices are a little more prominent but balanced by a lovely honey sweetness. A hint of toasted oak reveals its long cask ageing.

**Finish:** Long and satisfying. The rich complexity of the nose and palate continues to the very end. As the spice fades and the fruits slowly retreat, the sweetness intensifies, leaving a delightful, warming aftertaste. A great, rewarding dram.
