# COACHBUILT

BLENDING SCOTCH WHISKY

*Coachbuilt Whisky Build No.001*

*ABV: 46%*

*VOLUME: 700ml*

## *From Every Corner of Scotland*

To give our blend the most depth and complexity, we took whisky from all the regions of Scotch Whisky: Highlands, Speyside, Lowlands, Campbeltown, and Isle of Islay.

We wanted a blend with such complexity that it caters to the connoisseur but with elegance and smoothness that would allow beginners to enter the category and understand the art and craft behind blended whisky.

Using liquid from all five regions of Scotch Whisky, Coachbuilt embodies flavours from every corner of Scotland. At the forefront, we showcase the skill to craft a balanced, elegant blended whisky. After our blending department creates the perfect balance, we finish the whisky in premium Sherry casks to add extra layers of depth and complexity.

Aromas of fresh tropical fruit and candy bring you in, while notes of subtle caramel, cinnamon, and dark chocolate lead the palate. The finish is long and dry, led by winter spice and coffee. Expect some power at 46% ABV, but feel free to add a little water to unlock further flavours.

*Coachbuilt is not just a whisky. It's an invitation to explore five classic whisky regions.*

## **Tasting Notes:**

**Nose:** Smoke, Spice and Oak

**Palate:** Caramel, Honey, Raisin, Chocolate, Rum

**Finish:** Fruit, Toffee, and a hint of Smoke

## *What Makes It Special*

Precise quantities of whiskies and ingredients from 5 regions of Scotland are expertly measured to create the blend.
