

Everyone has a Guardian Angel. Whether the spiritual kind or a friend that is there for you. We cheer those that have our backs by pairing our Gold Medal Bourbon with a unique barrel finish. Guardian Angel's expert distillers meticulously select distinctive casks and beautifully age our straight bourbon whiskey finished in toasted barrel into a rare expression of excellence.

Guardian Angel™ represents years of passion, respect and gratitude.

- **NOSE:** Oak comes through with moments of a camp fire sweet smoke, and a sweet winter spice accented by vanilla and popcorn garnished with butter.
- **PALATE:** That oak stays perfect and toasted on the palate as apples and grain tastes lead to woody braids of cedar, tobacco, and rye-grass are accented by soft vanilla and caramel sauce.
- **FINISH:** The camp fire sweet smoke, tobacco, and rye-grass braid starts to smolder on the finish as the toasted oak takes on a cellar earthiness late on the finish.
