

# GLASGOW 1770 PEATED SINGLE MALT SCOTCH WHISKY

**Glasgow 1770 Single Malt Scotch Whisky - Peated** - is a rich and smoky single malt that has been handcrafted at The Glasgow Distillery.

The finest Scottish barley which has been smoked with the aromatic heather-rich peat of the Scottish Highlands; combined with the exceptionally pure water of Loch Katrine and distilled in our traditional copper pot stills.

Matured in virgin oak and finished in Pedro Ximenez sherry casks, Glasgow 1770 Peated is a smoky single malt with outstanding character.

On the nose, there is sweet smoke and rich toffee with notes of vibrant vanilla, dried dark fruits and cracked black peppercorn spice with subtle hints of flamed orange.

Tobacco leaf, rich dark toffee and cacao nibs on a palate of sweet soft peat and gentle earthy undertones with subtle herbaceous notes of sage.

A long and smooth finish with notes of salted caramel, liquorice, and lingering spice.
