## RARE AULD GRAIN SCOTCH WHISKY

### *1987 Caledonian 31 Year Old Single Grain Scotch Whisky*

Caledonian was built in Edinburgh in 1855 and was for many years Scotland's largest distillery producing grain whisky for the large blenders. The distillery closed in 1988 and demolished to make way for residential apartments. However the original 300ft chimney was preserved and is still one of the largest Victorian towers in Scotland.

#### TASTING NOTES:

*Nose:* Ripe peaches with pouring cream, balanced with delicate floral notes. Orange blossom and rose.

*Taste:* Silky and clean. Nostalgic of a classic sweet shop; flavours of pear drops and humbugs.

*Finish:* Long and elegant with a lingering sweetness. Herbal, like a cup of Jasmine tea with manuka honey.
