

DAMA FORTUNA

With Dama Fortuna Tequila, we don't leave anything to luck!

Our aim with Dama Fortuna Tequila is to share the authentic beauty and terroir of this beautiful region of Mexico. The distillery is located in Ayotlan, and sits on a plateau in the Highlands of Jalisco.

Located at altitudes of 4500 - 6000 ft, the rich, Volcanic soil found on the 7,400 acres estate provides all the nutrients to the agave plants, and also filters the water used for distillation and bottling

100% Estate Grown, Distilled and Bottled, without the addition of additives or the use of Chill Filtration.
