

GLASGOW 1770 TRIPLE DISTILLED SINGLE MALT SCOTCH WHISKY

Glasgow 1770 Single Malt Scotch Whisky – Triple Distilled – is a smooth and vibrant single malt that has been handcrafted at The Glasgow Distillery.

Distilled in copper pot stills, combining the finest barley with the incredibly pure water of Loch Katrine. Glasgow 1770 Triple Distilled has been matured in ex-bourbon and virgin oak casks, married together to create a wonderfully smooth and vibrant single malt.

The nose opens up with notes of sweet vanilla and white chocolate, with an wealth of summer fruits present: pears, peaches and apples.

A smooth and balanced mouthfeel with notes of vanilla, soft caramel and double cream, opening up to vibrant orchard fruits, berries and delicate floral notes alongside a sweet almond nuttiness.

Well-rounded, gentle and balanced with notes of honey, anise and black pepper, ending with a long-lasting warming woody spice.
